### **5.1.4 The institution has an active international student cell to facilitate study in India**

Sumatibhai Shah Ayurveda College has international students allotted by government from 2019

International cell is formed from October 2019. It actively supports international students. Cater their educational needs.

Two meetings are held every year of this cell to review about educational facilities and progress of international students.

Our Sane Guruji Arogya Kendra is an internationally approved center for electives of surgery, medicine and clinical apprenticeships.

We are offering various activities/courses for international students such as Ayurved, Medicinal / Herbal preparations /Ayurveda dietetics/Yoga and yogic practices /Ayurveda lifestyle and practices / Panchakarma/Marma therapy/Ayurveda pharmacology/Ayurveda beauty and skin care. These are all customized courses with provision for printed study material, Hands on clinical training, interactive sessions. MAM spread a word in Ayurveda and Yoga by introducing various Ayurveda, Yoga & Panchakarma Training Programs with its Autonomous R & D platform PARAS (Programme for Advanced Research in Ayurveda Sciences).

PARAS International cell coordinates, conducts and certifies the courses in collaboration with Sumatibhai Shah Ayurveda Mahavidyalaya and Sane Guruji Arogya Kendra along with Rasamrut Pharmacy. International activities are majorly held under following verticals:

#### **A. Autonomous International Courses - Short Term Fellowships**

Fellowship courses are unique personalized courses designed by the expert Ayurveda Professors for the beginners, intermediate and advance learners of Ayurveda and Panchakarma Therapy.

MAM offers courses of 10 days for each level and will include lectures and practical training.

The Basic level course is made to give basic understanding and knowledge of Ayurveda and Panchakarma.

Intermediate course is made for the Paramedical and health care personnel for effective healing of the health seekers. The advance level course is made for the Medical professionals/ Doctors and others who offer their expert services for the community as per the rules and regulations of the concerns country.

Total course is of 70 hours for each level.

List of Courses with international participation:

Silvija Spehar from Slovenia completed her training courses 'Introduction to Ayurvedic pharmaceutical techniques' at Rasamrut pharmacy of our institution as well as 'Ayurvedic massage and Panchakarma therapy in psychosomatic disorders' in the Department of Panchakarma under flagship of PARAS in 2017 winter.

**B. Autonomous Clinical Apprenticeship : Internship/ Electives in collaboration with international universities**

The Clinical healthcare support apprenticeship is being undertaken at Sane Guruji Arogya Kendra providing the skills and knowledge required to become competent in supporting health professionals such as doctors, nurses, allied health professionals and healthcare scientists.

Sophia Schroder from Berline, Germany, did Internship in surgery department in 2018 for 4 months. Dr Shivangi Sharma from USA attended internship in July at Sane Guruji Arogya Kendra Pediatrics department in 2022.

**C. Collaborative visits and Conclaves with Internationally recognized Ayurveda / Doctors / Teachers:**

Many teams from Italy, France, Brazil, USA, and Germany have visited PARAS for collaborative work in academics as research activities.

We conduct presentations of their work and institute's work along with visit to the campus to understand future collaborative areas and academic ventures.
