Departmental Training Programme

Training programme is conducted every year for PG students, interns etc. In this training programme information about Kshara collection, Ksharsutra preparation and storage of Ksharsutra is given and practically these procedures are explained to the trainee.

Every Saturday is having special OPD for Ano rectal diseases and weekly change in Ksharsutra of patient. This is practical and hands on for PG students and interns on fistula cases in minor OT.

Para surgical procedures include Agnikarma, Jaloukavacharana and Siravedha. These sthanik chikitsa training are given in Panchakarma department on the patients referred from Shalyatanta department.

Ashtavidha shastrakarma Chedan, Bhedan, Lekhan, Visravan, Aaharan and Seewan training is given to PG students and Interns in Minor OT and Major OT. This training is one to one direct demonstration and practical on patients with prior consent of patients. Hands on training are provided on Turtle for PG students.

Data of this is maintained in Minor OT and Major OT procedure registers.

Separate data of each parasurgical procedures is maintained in register and trainees data in training programme register.
