To,

Hon. Principal,

S.S.A.M.Hadapsar, Pune-28

The first professional B.A.M.S. students (2021-22 batche) want to propose an extramural project namely “*Analogy between different types of Prakruti and cars.*”

We are going to present this project under the guidance of Dr. Anil deshpane sir tentatively on 13th January- 2023

Sir, this project will be helpful to learn various similarities between the attributes of Prakruti and features of various brands of automobile cars. Various Ayurvedic compendia consist of the reference regarding Upman Praman. This project will be helpful for the 1st professional B.A.M.S. students to learn, to visualize the characteristics of Vata, Pitta and Kapha Prakruti very easily.

So kindly permit us to organize this project under Extramural Club & cultural activity.

Thanking you in anticipation,

Regards
