कर्मसिद्धिप्रकाशिनी ॥

Our college facilitates provisional registration at Maharashtra Council of Indian Medicine, Maharashtra State to all passed out students, later all these students get permanently registered. They are all self-employed. Some of them also render their services as medical officer in various hospitals and insurance companies, Ayurvedic pharmacies, investigators in research institutes and teaching faculties in various colleges across India.

Some of them become entrepreneur and start drug manufacturing units, cosmetics manufacturing units, post graduate entrance exam coaching institutes, own hospitals, multi-specialty clinics, Ayurveda and Yogopachara training institutes.

We are gathering information of alumni by following means-

- 1) Google form is sent to students group and data collected.
- 2) One student submits information of his/her batch.
- 3) We send letter to ayurved colleges asking them to inform us if any alumni has joined their institute as a faculty member.
