PROCEDURE

The resource mobilization is carried out by the following means

- Student Fees :- College is self financing institution and main financial resources are mobilized by the fee collected from the students. The Fee structure for BAMS, MD/MS (Ayu.) & PG Diploma students is displayed on college web site for ready references.
- Fellowship Course Fees :- Since Academic Year 2018-19 Maharashtra University of Health Sciences, Nashik has conducted centralized online admission process for fellowship & certificate course and allotted students to respective college on fixed fee structure.
- Hostel Fees :- We provide good hostel facilities for boys & girls students. We provide accommodation facilities with affordable cost. Total 160 girls & 40 boys students are residing in hostel.
- Other Earning from training & workshop :- We are organizing various CME & also workshop through self financing from delegates & advertisement and staff.

College has purchase committee, building /Development committee with head of institute as chairperson to monitor effective and efficient use of available financial resources.

College prepares Annual budget and submit it to the higher management for approval. The budgeting and formally specified procedures have a built in mechanism to ensure effective and efficient use of financial resources of the college. An external / internal audit is conducted by the institution.

All payments are done through bank / Cheque payment.

All major expenditure carried through tenders & quotations.

The availability of fund is essential for any organization, society, family or co-operative but the mobilization of fund is more important. If

mobilization is in right direction coordinated then the level of progress is high otherwise it becomes ineffective even though the fund is available.

Therefore, the mobilization of fund is important for the development of organization.

The principal and the LMC of the college monitors the use of resources received from the MUHS and non government funds. The allocated funds are utilized to purchase equipments, chemicals, organized seminars, workshop and conferences etc. The administrative, finance & the management board review the use of resources including audit, budgets and accounts. They make recommendation for better handling of resources and effective mobilization of available funds.

A healthy mind resides in a healthy body, for this various programmes like sports, yoga and other activities are organized by college committee. In this way students proceeds towards their bright future by gaining knowledge and their overall development. In campus the garden is maintained; for this fund is provided.

To upgrade knowledge of the students, professors and employees various programmes such as guest lecturers, seminars, discussions are organized. They are encouraged to participate in different institution research work.

In this way, through effective financial management, the college is attaining new heights and achieving goal. The co-operation from central, state government, local bodies and the university is helpful for institution.
