

Department of Dravyaguna

Criteria 7

The herbal garden of the college is spread out in an area of 1.5 Acres of land. Garden boasts of a well - planned herbal garden that includes several extinct and rare species of flora. Medicinal plants are grown in the supervision of trained higher teaching faculties along with gardener and multipurpose workers with irrigation facilities. Total no. of species are 322 including rare species like *Saraca asoca* (Roxb.) Willd., *Bergenia ligulata* Wall, *Rauwolfia serpentina* L.) Benth. ex Kurz etc whereas total no. of medicinal plants are 1890.

The herbal garden is very well useful for the students of all professional especially for the second year of BAMS students who have Dravyaguna Vigyan as a prime subject and so many green herbs are used teaching purpose, treatment purpose in hospital, preparation of various Ayurvedic medicine in our pharmacy. For clear and easy identification nameplates of the plants with Sanskrit and botanical names are placed to help the students and general public.

The students are motivated to take benefit of this garden to identify the species and to understand the morphological characterization of medicinal plants. UG and PG students from different college/ institutes, school students and common people visit herbal garden for identification of various plants on regular basis. Some of the plant products are also used for day to day preparation of herbal medicine.

Herbal garden's aim

- To raise awareness and promote the therapeutic value of the conservation of plants that grow largely wild in our environment and whose properties help maintain a healthy balance between humans and nature.
- To create awareness of conservation and traditional uses of herbs and medicinal plants to visitors, and to also be a place where students, farmers, and others can learn how to identify and conserve these important plants.
- To generate a valuable source of raw materials for therapeutics in primary care.

What makes our herbal garden unique –

- We have created a sustainable landscape that is both functional and beautiful. But sustainability goes beyond just reducing water usage; it also involved reducing carbon footprint and promoted biodiversity.
- biodiversity provides us host of supporting and regulating ecosystem services such as plants converting energy from the sun and makes it available to other life forms, bacteria and other microbes break down organic matter into nutrients to maintain healthy soil for growing crops, pollinators support plant reproduction, plants sequester carbon. In a nutshell biodiversity provided us with clean air and water, fertile soil, crop production through pollination and helped us adapt and mitigate climate change.
- To reduce your carbon footprint is to use organic gardening practices, such as composting and natural pest control methods.
- No pesticides- for effective control of pest we are using natural pesticides like Azadirachta indica leaf powder and Pongamia pinnata leaf powder as a natural pesticides.
- No herbicides – weed management is done under supervision of teachers by taking help of gardeners and helpers using mechanical weed control methods such as digging, mowing, cutting
- No chemical fertilizers – to avoid nutrients deficiencies in plant we are using natural fertilizers like compost and earthworm manures. These manures are prepared using leaf litter generated in the herbal garden.

हडपसर, पुणे

पर्यावरणरक्षण प्रतिज्ञा

या जागतिक पर्यावरण दिनी (५ जून) मी अशी शपथ घेतो/घेते की,

- पर्यावरण रक्षणासाठी मी आयुष्यभर कटिबद्ध राहीन.
- माझ्या आसपासचा निसर्ग खराब होईल, जैव विविधता कमी अथवा नष्ट होईल अशी कोणतीही कृती मी करणार नाही.
- माझ्या गरजा पर्यावरण पूरक ठेवण्याचा मी प्रयत्न करेन.
- दुरुस्त होवू शकणाऱ्या व टिकावू वस्तूच वापरेन.
- पर्यावरण पूरक पद्धत राबवणाऱ्या कंपनीच्याच सेवा किंवा वस्तू खरेदी करेन.
- घरी, कार्यालयामध्ये तसेच सार्वजनिक ठिकाणी हवा, पाणी, ऊर्जा वाचविण्याचा व रक्षणाचा कसोशीने प्रयत्न करेन.
- वायु, जल, भूमी व ध्वनी प्रदूषण करणाऱ्या गोष्टींपासून अलिप्त राहीन.
- पर्यावरणास हानीकारक प्लास्टिक, थर्माकोल इ. वस्तू अत्यावश्यक ठिकाणीच वापरेन.
- घराबाहेर कुठेही माझ्यामुळे कचरा होणार नाही याची खबरदारी घेईन.
- माझ्याकडील अतिरिक्त व अनावश्यक वस्तू गरजवंतांना उपलब्ध करेन तसेच निःसंकोचपणे इतरांकडे मागेन.
- पर्यावरण पूरक वाहतूक साधने वापरेन. आवश्यकतेनुसार इतरांना निःसंकोचपणे प्रवास सहाय्य देईन. व मागेन.
- व्यक्तीगत जीवनामध्ये कृत्रिम रसायनांचा वापर मर्यादित करेन. सेंद्रिय खाद्य पदार्थांचा आग्रह घरेन.
- सर्व सण व उत्सवांमध्ये पर्यावरणाची हानी होणार नाही याची खबरदारी घेईन.
- या प्रकारे मी स्वतःमध्ये बदल करून अधिकाधिक पर्यावरणसोयी बनोन.

विषय: प्लास्टिक मुक्त परिसर अभियान कार्यक्रम अहवाल.

संदर्भ: मआवि/एसडब्ल्यू/एमएसएस/१९४१/२०१९ दि.०९/१०/२०१९.

मा. महोदया,

उपरोक्त विद्यापीठ संदर्भीय पत्राच्या अनुषंगाने महाविद्यालयातील राष्ट्रीय सेवा योजना विभाग व वि.का.स. यांचे संयुक्त विद्यमाने प्लास्टिक मुक्त परिसर अभियानाचे आयोजन दि. ११/१०/२०१९ रोजी करण्यात आले. सदर अभियाना अंतर्गत हडपसर परिसरामध्ये प्लास्टिक वापराचे दुष्परिणाम दैनंदिन वापरामध्ये न वापरण्याची शपथ घेतली, प्लास्टिक पिशवी ऐवजी कागदी व कापडी पिशवी वापरण्याचे जनतेला व विद्यार्थ्यांना आव्हान करण्यात आले. हडपसर परिसरामधील भाजी विक्रेते, किरकोळ गाडीवरील विक्रेते यांना प्लास्टिक पिशवी बाबत होणाऱ्या परिणामांची माहिती दिली.

या कार्यक्रमांमध्ये राष्ट्रीय सेवा योजनेतील स्वयंसेवक विद्यार्थी, अध्यापक वर्ग मोठ्या संख्येने सहभागी झाला होता.

कळावे,

आपली विश्वासू,

(डॉ.सौ.निलाक्षी प्रधान)

F.N. 3/S3/2019-C&N
(Vol. IV)

Ministry of Youth Affairs & Sports
Department of Youth Affairs
Office of Joint Secretary (Administration)

Dated the 16th September, 2019

Sub: Campaign for phasing out of Single Use Plastic.

In response to Hon'ble Prime Minister's call for phasing out of Single Use Plastic by promoting sustainable alternatives and proper disposal of plastic waste, a nationwide campaign has been launched on 11th September, 2019 for creating awareness regarding phasing out of Single Use Plastic by promoting sustainable alternatives and proper disposal of plastic waste.

The Cabinet Secretary to the Government of India has sent a D.O. letter (copy enclosed) to all the Secretaries of the Ministries to lead the effort in their Ministries by replacing Single Use Plastics such as PET bottles, cups, folders, artificial flowers etc. and any other plastic items by suitable alternatives.

In view of this, you all are requested to kindly take all necessary steps in this regard and ensure that all the officials and staff in your administrative control not only take active part in this campaign, but also ensure adherence to these guidelines.

(Asit Singh)

Joint Secretary (Administration)
