"Ranbhajya Mahotsav" educational tour report

6/9/2018

To,
The Principal,
S.S.A.M., Hadapsar, Pune

Ranbhajya Mahotsav was organized by project Asha under Bharatiy Agro Industries foundation institute (BAIF) to introduce Ranbhajya used by Adiwasi people to us. It took place at Karegav Tal. Mokhada, Dist. Palghar on 2 sept 2018. It included identification of Ranbhajya in nature, demonstration of Ranbhajya processing and cooking. Adiwasi have virgin traditional knowledge of cooking. The food prepared of this cooking process has more potential to nourish. So preservation and propagation of Ranbhajya is essential. We need to learn Ranbhajya thoroughly.

Hence educational tour was organized by Dravyaguna department to attend this Ranbhajya Mahotsav. 3 teachers - Dr. Amit Avalaskar, Dr. Vivek Chaudhari and Dr. Rita Mandle and Mali Mr. Daulat Patil were present from our institute.

Student Participants-

Sr.no	Students	year	Sr.no	Students	year
1	Vd. Supriya Zende	2015-16	5	Vd. Suraj Pathak	2016-17
2	Vd. Netra Jere		6	Vd. Kajal Shaha	2017-18
3	Vd. Dhanashree Mahajan		7	Vd. Suraj Ravate	
4	Vd. Rahul Baviskar		8	Vd. Prajakta Pasarkar	

We reached Karegaon at 10 am and attended Ranbhajya Mahotsav. More than 300 people from Nashik, Mumbai, Surat & other places participated in Ranabhajya Mohotsava. Few Vaidyas Vd. Avinash LeLe, Vd. Kalos and Vd. Vijay Dev were also present.

Dr. Amit Avalaskar was appointed as an expert for identification of Ranbhajya by Ayurvedic perspective in the field. So he was allotted separate batch for live demonstration in the field. He mentored to explain their medicinal uses to common people.

Food cooked of Ranbhajya prepared by Adiwasi was served in lunch. Adiwasi cultural dance & music show was also arranged. Cooking completion for Adiwasi people were organized. Around 50 Ranbhajya were kept for sale. Few Ranbhajya are already in our daily use e.g.- Math, Tandulja, Alu, Pokala, Gholu, Kartoli etc. Adiwasi people explained us their medicinal uses & cooking process. We bought around 30 uncommon Ranbhajya for college.

We are going to develop Ranbhajya Garden in Herbal Garden premises. Ranbhajya includes Kand shak, Patra shak, Pushpa shak & Phala shak. All are seasonal. But we can try to cultivate them round the year. This garden will inculcate importance of knowledge of Ranbhajya to students & all.

We arranged "Ranbhajya exhibiton" in our Dravyaguna museum for observation. Many staff members and UG students visited this exhibition. We narrated the importance of Ranbhajya and also virgin traditional cooking process of adiwasis to staff members and students. We have prepared wet specimens, herbarium and kept in separate section in our museum.

We can go for organizing one day workshop / CME for our staff / students / other common person. Please guide us further in this regard.

Dr. Amit Avalaskar and Dr. Rita Mandle were interviewed by ZEE media. Her bites regarding Ranbhajya Mahotsav was broad casted on "ZEE 24 TASS" on 3 sept 2018. (Available on you tube- <https://youtu.be/ZAgMuOhANzQ>)

Thus, Ranbhajya garden, Ranbhajya herbarium and specimens in our museum done in our college will surely be unique concept amongst all Ayurvedic colleges.

Following Ranbhajyas were observed and specimens collected for our department.

Report:

Ethnobotany Project tour to Bhimashankar

Date: 28th and 29th January 2019

Dr. Sharayu Kore (HOD Department of Dravyaguna) along with Dr. Nalawade, Dr. Abhijit Dr. D.K. Kulkarni and Two post graduate students Dr. Kirti Nandanwar and Dr. Prajakta Shahir attended the survey Visit.

Three devrai including Ahupe, Aghane, Tirpad and Jambhalewadi devrai were surveyed for available flora, their distribution, as well as no. of plants of specific species with their average height were noted. Number of seedlings was also taken into account.

The Photography of all plants has been done.

The ideal technique of botanical survey was observed and we participated in the activity with Botanist.

I thank you Principal and Secretary M.A.M. for their cooperation and also Our local Bhimashankar and Dimbhe M.A.M. staff cooperation sought during survey.

Thanking you

Yours faithfully
